

Up to you:

Find the 3 things you want to buy most. For each of them, answer these questions:

1. Is it a good or a service?
2. How much time do you need to work to buy it, if you are earning the average wage per hour? (Average wage per hour is 14€ in France)
2. When was it invented (or produced for the first time)?
3. What did people do before it was invented?

Keywords:

Wage: salary, what you earn when you are an employee

Average: moyen

Per hour: par heure
